

Timber Creek High School Band

January 22, 2020

Hello Future TC Band Families!

We hope your second semester is off to a great start. We issue this letter with great excitement and anticipation regarding your child's prospective membership in the Timber Creek High School Band! We feel that our 300+ member organization provides an outstanding support network to the incoming Freshmen band members at Timber Creek. We work diligently to sustain a model musical organization of which the community and student membership can be proud.

We sincerely hope that each and every incoming 9th grade family will consider band an integral part of their child's continuing education here at Timber Creek. Among the many advantages of participation, we urge parents and students to consider the following advantages, privileges and opportunities that students may enjoy as part of the Timber Creek Band:

- Enrichment experiences that can create meaningful and unforgettable memories during high school
- Membership in the largest positive-image projecting organization on campus
- Part of a social network that promotes academic diligence, self-discipline, teamwork, peer interaction, problem solving, and leadership of self and others
- Likelihood of academic success- you can do band and still enroll in AP courses, dual enrollment and K-Cal.
- Camaraderie and support of older peers on campus
- Familiarity with campus and peers prior to the first day of school
- Dual credit hours for fine arts and physical education during the fall semesters
- Opportunity for skilled preparation and public performance throughout the year
- Student travel & performance opportunities, including our trip plans for 2020

In an effort to further communicate aspects of the Timber Creek Band program, we will be hosting two informational meetings specifically for all current 8th grade band students.

Location: Timber Creek High School Band Hall

When: Tuesday, February 18- 6:30pm & Wednesday, February 19- 6:30

Immediately following the meeting, band directors, students, and member of the band boosters will be available for any individual questions until 8:00p.m.

Sincerely,

James Barnes, *Director of Bands*
Daniel Malacon, *Assistant Director of Bands*
Connor Barnette, *Assistant Director of Bands*
Chad Mason, *Percussion Director*
Lara Rogers, *Color Guard Director*
